- April 2022 registration
- stunning condition
- factory sun roof

- very clean E46's are getting very hard to find with under 100,000 klms and this one is well under.
- the metallic grey is a beautiful colour with the lighter interior
- these are very well optioned cars with climate control air conditioning, multi function steering wheel, power windows and a CD player.
- The E46 will certainly become the “next” collectable BMW to watch out for
- excellent history
