2010 BMW 335i M SPORT CONVERTIBLE – A LOVELY CAR TO HAVE BACK!

What a pleasure to have this lovely BMW 335i M Sport Convertible back. We sold this very car some years ago, and it is always nice to see one of our previous cars return. Finished in black with beautiful cream leather and having travelled 140,000 kilometres, this is a lovely combination in the E93 convertible.

Finished in black with a beautiful cream leather interior, this is one of my favourite colour combinations on the E93 BMW. The M Sport styling really suits these cars and, with the roof up, you have the appearance and comfort of a smart BMW coupe. Press a button and the folding metal roof transforms it into a proper open-top convertible.
The 335i is also a very different proposition to the smaller-engined 3 Series models, with its wonderful 3.0-litre turbocharged six-cylinder engine and quick-shifting seven-speed dual-clutch transmission. With 225kW on tap,

these are genuinely enjoyable cars to drive.
Some of the highlights include:

* Genuine factory M Sport model
* 3.0-litre turbocharged six-cylinder engine – 225k
* Seven-speed dual-clutch automatic transmission
* Electric folding metal hardtop
* Black exterior with cream leather upholstery
* M Sport aerodynamic styling
* M Sport alloy wheels
* M Sport steering wheel and sports seat
* Rear-wheel drive
* Previously sold by our dealership.

I have always liked the E93 335i. It offers the performance of a proper sports car, the comfort of a BMW grand tourer and the added pleasure of being able to put the roof down on a beautiful Sydney day.

We are delighted to have this one back and would love to show it to you in person.

We are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
This car will be mechanically checked over and receive a NSW roadworthy permit.
We are so excited to show you this fine example and look forward to meeting you in person one day soon.
