– factory sun roof
– front parking sensors
– split folding rear seats
– late July 2020 registration here in NSW
– this would have to be the lowest mileage example for sale
– bluetooth for your phone
– just one of those really well maintained cars which has the best engine they had on offer in 2008
– we steer away from the 4 cylinder BMW's generally due to oil leaks but these 6 cylinders really are far more reliable and impressive to drive

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
