**\*\* Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\***

- 2008 BMW 325i sedan (E90) in silver on black leather and a very very fussy previous owner
- log books from new and only one owner
- 54,000 klms!!
- wider colour navigation screen with a TV tuner
- serviced every single time by a BMW dealership who have been looking after this car fastidiously
- spare keys are present
- Takata airbag has been replaced
- one of the best colour combinations and will hopefully sell to the first keen buyer
- we have been selling this E90 series for 25 years and are very fussy about what we offer for sale
- cruise control
- alloy wheels in excellent condition
- very powerful 2.5 litre 6 cylinder engine
- we have sold this client several cars over the years and know that he is very particular about how he looks after his cars
- it has dual zone climate control air conditioning
- factory sun roof
- front parking sensors
- split folding rear seats
- late July 2020 registration here in NSW
- this would have to be the lowest mileage example for sale
- bluetooth for your phone
- just one of those really well maintained cars which has the best engine they had on offer in 2008
- we steer away from the 4 cylinder BMW's generally due to oil leaks but these 6 cylinders really are far more reliable and impressive to drive
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
