BMW 320d E92 MY10.5

Description

- ** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****
- 2010 update series BMW 330d Automatic Coupe that has been owned by an older couple from the country
 - just traded in on a newer 7-series at our dealership this really is a lovely car that we are very proud to offer for sale
 - travelled just under 100,000 klms since new and having been on country roads this is nothing for a turbo diesel BMW 3-series
 - they are bullet-proof and just keep going for ever and ever
 - silver with black leather interior is a wonderful colour combination
 - the coupe is pillarless and just one of the nicest looking two door cars on the market
 - they have an enormous amount of room in the boot as well as in the rear seats
 - Takata Airbag has been replaced already by BMW
 - these are one of the more powerful small turbo diesel engines from BMW and are extremely fuel efficient
 - we find the petrol engines are prone to oil leaks but this model is very durable
 - good service history
 - really well looked after and a credit to the previous owners
 - we thoroughly look forward to meeting you in person one day soon and

showing you this very nice little car

- factory sun roof, alloy wheels, air bags, ABS and being the newer shape it gets the nicer bonnet and lights
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
