BMW 320i E46 MY2004

## Description

What a rare find this it. The very last of the 2005 BMW 320i Touring in an M-Sport E46 and in absolutely wonderful condition. It's travelled 154,000 klms since new and is 13 years old so per annum it's really very little. It has a full BMW service history from new and looks stunning in silver with black leather interior, has a factory sun roof and is registered until December 2018. There are so many 3-series BMW's that we say no to and this one is a car we just had to buy. We were told it has done quite a bit of highway miles and you certainly can tell from driving it as it's so tight. The options on an M-Sport are extensive from the colour coded bumpers, sports seats, sports steering wheel, M-Tech decals inside the doors, M-Tec Wheels and so much more. We are so very proud of this wagon and believe that this last of the series E46 is very desirable property to own. Registered in NSW until December 2018.
