

BMW 325i MY08

Description

Another superb very late 2008 E90 BMW 325i E90 sedan with only 40,000 klms since new and a very good log book service history from new. It’s a very nice silver metallic with charcoal grey leather interior and has a factory sun roof, BMW alloy wheels, wide screen professional navigation, spare keys and is in the most immaculate, original condition you could hope for. It even has the optional electric side and rear blinds which is great for little kids int he back and the steering wheel still feels just as new as you could hope it could be for a 10 year old car. These 2.5 litre 6 cylinder engines are far better and more reliable than the smaller 4 cylinder cars as they don’t strain to push around such a heavy body. This car should hopefully continue to hold it’s value and we very much look forward to meeting you in person to take you on a nice test drive. It is registered in NSW until the end of 2018 and is just one of the best 3-series you will see in.
