BMW 330d E90 MY09

Description

What a beautiful and very rare E90 automatic 2009 BMW 330d M-SPORT turbo diesel sedan this is in the most stunning metallic blue which is called Carbon Black with black leather interior and a nice set of factory M-Sport alloy wheels. The “M-Tec Pack” gets you a sports steering wheel, sports seats which are amazing, decals in the doors and colour coding bumpers. What is very important is that this is the newer series and newer shape with the slightly more modern looking bonnet and boot which is very important when considering this model as there were also a number of advances in the actual car itself. These cars have a superb resale value, are loaded with great features and drive so well. This car has January 2018 registration here in NSW and has only travelled just under 106,000 klms with a very good servicing history from new which is extremely important with a BMW. These cars simply go for ever with proper maintenance and we are very fussy about what we are buying as we need to give you a warranty. A lovely colour combination indeed and something you really need to come in to our showroom in person and have a look at. We are very proud to offer this car for sale to you and it has dual zone climate control air conditioning, remote locking, ABS, CD player and cruise control.

Here at the Oldtimer Centre® we are located at 101-103 Illawarra Road, Marrickville NSW 2204. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in

Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
