

BMW 525i E60

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– very clean 2004 BMW 525i Executive sedan (E60 series) with only 132,000 klms since new
– it’s a one owner car with a very good servicing history from new
– M-Tec alloy wheels
– parking sensors
– navigation
– just been checked by our mechanic and came up very well
– registered here in NSW until mid-September 2019
– it’s just one of the best ones we have had for sale for a long time and it’s so well priced in our opinion
– this six cylinder engine is a delight to drive and they handle so well on the road
– silver with black leather interior is a stunning colour combination and the fact it has a sun roof, electric chairs and everything really is in way above average condition makes this car a very good buy at just under ten grand.
– we sell a lot of this series and are fast becoming very fussy about things like oil leaks, electrical issues and the quality of the paint. We are proud to say that this really is a stand out in the crowd
– hopefully will provide someone with many years of trouble free motoring and we are very excited to show this car to you one day soon

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
