BMW 528i E39

## Description

There are so many 2000 model E39 BMW's on the market it's very important to find a special car with a great history and we are very proud to say that this 528i M-Sport ticks all the boxes and is great value for money. It has only travelled 89,000 klms since new, it's black with black leather and everything about this car will make you smile. We even sent it to a local BMW specialist and spent \$1200.00 getting some items attended to and we are very happy to offer this for sale to you today. What a superb condition this is from the near perfect leather, the paint isn't scratched or marked, the service books are good and it really does drive so so well you need to come in to our dealership and see for yourself. 89,000 klms in 17 years is nothing and this car will be registered in NSW for the successful buyer. This is a very original car at a very sensible asking price.
