BMW 530d E60

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– what an unbelievable 2006 BMW 530d M-Sport sedan this is in white with black leather

– just an incredible feel to this car with 123,000 klms since new and basically in as new condition

– we look for a long time for cars like this and you can just tell someone has treated this like a baby

– the M-Sport has loads of excellent features such as a sports interior, sports seats, steering wheel, better M-Tech alloys and a very nice rear boot lip spoiler and body kit

– this would have to be the very best colour combination we have seen and it certainly ticks all of the important boxes

– very good servicing history from new and still has that real BMW smell that we love

– you can also tell that from the condition of the rubbers, headlights and paint that this is a car that hasn't seen too much sun or not been garaged.

– we can't wait to show you in person one day soon

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
