

BMW 530i E60 MY08

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– update series BMW 530i M-Sport with 96,000 klms since new
– Carbon black which is in fact a dark navy blue with charcoal grey leather trim
– 2009 saw a series of modifications such as heads up display, a wider colour navigation screen and all M-Sports have loads of awesome features
– M-Tec wheels, mild body kit, better seats, sports leather steering wheel and some M-decals around the car.
– we have already sent this car to a BMW specialist here in Sydney for a full check over and service prior to it being sold
– there are so many average 530i E90s it’s nice to see a car that has been thoroughly looked after and hopefully treated how it should have been
– factory sun roof, alloy wheels, extremely good sized boot area and the 5-series really is a great all round car in an excellent medium sized car.
– we are so proud and excited to offer this car for sale and very much look forward to meeting you soon at our showroom
– the paint is fabulous and the interior still has that BMW smell
– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
