BMW 530i E61 MY08

## Description

\*\* Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\*

– this gorgeous LCi update series 2009 BMW 530i M-Sport touring wagon in blue with cream leather is highly sought after  
– with a very good BMW servicing history from new and literally drives like a new one

– it even has soft close doors!

– the colour combination is one of the nicest on offer and we are so so proud to offer this station wagon for sale.

– they are loaded with great features and this car is an M-Sport which means you get some really nice cosmetic add ons too

– better alloy wheels, nicer seats, M-Tec steering wheel and decals and so much more

– the car is in very original condition and has obviously had a very good previous owner

– it is registered in NSW until August 2019 and in our opinion it should be one of the best available

– these wagons really do hold their value very well compared to the sedans and being an LCi update series this should help too

– we can't wait to show you this car in person and hope you agree just how nice it really is

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
