

BMW 540i E60 MY07

Description

This 2007 (MY08) BMW 540i M-Sport is a superb car that was $180K new and is still in the most incredible original condition with only 133,000 klms and a perfect service history from new in what we think is by far the best colour combination BMW offered. Medium metallic grey with cream leather interior the M-Sport has it all from a thicker leather bound steering wheel, M-Sport badging, mild body kit, larger factory alloy wheels, sports seats, better suspsension and most of all a far better resale value moving forwards. With NSW registration until November 2016 this car really is a near perfect example and being an M08 it has the more modern gear shifter, heads up display, bi-Xenon headlights, pro-navigation, bluetooth and is quite literally a car to suit the fussiest of buyers in a competitive market we have in Sydney. It drives so well and there are absolutely no clunks from the gearbox, the V8 engine is silky smooth, there is no tyre noise and there aren’t a lot of 540i’s for sale so we had to be very fussy about what we chose to buy here. Please take out some time to come in to our dealership in person and have a decent test drive of this amazing BMW that we are very proud of.
