

BMW 645ci E63

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2005 stunning BMW 645Ci coupe in Stratus Grey with 103,000 klms and just lovely
– the 4.4 litre naturally aspirated V8 is a true credit to BMW and this car is a stand out from others we see
– black leather interior is in excellent original condition
– servicing history from new
– originally from overseas this car has had a very good life so far and hopefully you will agree is one of the best examples we have seen for a very long time
– there should be absolutely nothing different about this car from a locally sold car – they were all built in Germany in the same factory and use the same spare parts
– both remote keys are present
– immaculate paintwork and alloy wheels
– there are no warning lights on the dash and the electric soft top works well
– electric front seats
– dual zone climate control air conditioning
– these cars are becoming highly sought after and this was the flagship convertible of it’s day

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
