extremely well having been serviced by BMW

– what a lot of look for under \$30K!

– being an individual series this car would have been a lot more expensive than a normal package when new so hopefully it will hold its value very well moving forwards

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
