

BMW 735i E65

Description

What a car the flagship line of the BMW range is! This example, a 2004 Toledo Blue 735i is a mild V8 6 speed automatic which offers the perfect blend of performance and fuel economy. It is a country car with a very low 138,000 klms since new and it is literally in mint condition both mechanically and cosmetically. The ride quality of this car is second to none and the features list is extensive. Some of the highlights include the BMW I-drive multimedia interface which includes Satellite navigation and even an in car phone. Power memory seats, tri-zone climate control air conditioning, keyless entry and start, rain sensing wipers, HID projector Xenon headlights and so much more. The car looks superb, has great history and drives as you would expect, silent and swift. A lot of car for the money, especially when you consider the new price of $178k before on roads. We very much look forward to showing off this lovely example of the E66 long wheel base 7-series to you one day soon in our showrooms. NSW registration until April 2019.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116.
