BMW i7 xDrive60 M Sport G70

Description

** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

BMW i7 xDrive60 M Sport G70 – ONLY 2,880 KILOMETRES FROM NEW

Please make an appointment to see this car in person as it’s not being kept on site

It is difficult to describe just how impressive BMW’s flagship electric luxury sedan is until you actually experience one.

Finished in the beautiful Oxide Grey Metallic with Black leather interior, this magnificent i7 xDrive60 M Sport has travelled an astonishing 2,880 kilometres from new and presents accordingly.

This represents an extraordinary opportunity to own one of BMW’s most technologically advanced and luxurious motor cars for a fraction of its original new-car cost.

Call today on 02 9569 9999 | email: Kristian (Sales) kristian@old.com.au

The i7 xDrive60 combines two electric motors producing an enormous 400kW and 745Nm, driving all four wheels through BMW's xDrive system. The result is effortless, near-silent performance with the extraordinary refinement expected from BMW's flagship 7 Series.

Inside is where this car really becomes something special.

The cabin is beautifully finished with Black leather, fine wood trim and BMW's spectacular illuminated Interaction Bar, together with the huge BMW Curved Display incorporating digital instrumentation, navigation, multimedia and an enormous array of vehicle functions.

Rear passengers are treated almost as well as those in the front, with individual touchscreen control panels incorporated into the rear doors, allowing passengers to control entertainment, climate, seating, lighting and electric window blinds.

The enormous specification includes:

BMW xDrive all-wheel drive.
Dual electric motors producing 400kW and 745Nm.
Adaptive air suspension.
Integral Active Steering.
BMW Curved Display.
Satellite navigation.
Head-up display.
BMW Personal Assistant.
Driving Assistant Professional.
Parking Assistant Professional with surround-view cameras.
Panoramic Sky Lounge glass roof.
BMW Interaction Bar with ambient lighting.
Crystal-effect interior controls.
Electrically adjustable front seats.
Heated and ventilated seating.
Multi-zone climate control.
Rear passenger touchscreen control panels.

Call today on 02 9569 9999 | email: Kristian (Sales) kristian@old.com.au

Electric rear window blinds.
Wireless phone charging.
Apple CarPlay and Android Auto.
Premium surround-sound audio.
Automatic/soft-close door technology.
21-inch BMW alloy wheels.
Extensive ambient interior lighting.

The Oxide Grey Metallic is particularly attractive on the G70, changing character considerably depending on the light from a sophisticated silver-grey to an almost champagne hue. Combined with the bright exterior detailing and large BMW alloys, it gives this enormous luxury sedan tremendous road presence without being overly ostentatious.

Most importantly, this is not an i7 that has travelled 30,000 or 50,000 kilometres.

It has travelled just 2,880 kilometres from new.

For someone considering a new high-end European luxury sedan, this represents remarkable value and an opportunity to purchase BMW's electric flagship in virtually new-car condition without anything approaching the original new-car price.

VIN: WBY52EJ070CT72332

this car will be mechanically checked over and receive a NSW roadworthy permit.
we are so excited to show you this fine example and look forward to meeting you in person one day soon.
