

BMW M3 E92

Description

** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

What can we say other than awesome! A 2007 E92 BMW M3 coupe with only 74,000 documented Km’s from new. Finished in a stunning Interlagos Blue over Light grey leather interior, this is a true collectors car. With 414 Bhp and 400nm of torque from the naturally aspirated V8 the credentials and performance of this velvet sledgehammer speak for themselves. It is hard to source M3s like this due to how tightly held amongst collectors and enthusiasts they are. It is also important to find one that has been babied and not driven hard and our example has lead a pampered life and with such low Km’s for the model year makes it one of the best prospects on the market at the present time. All the features you would expect, power sports buckets, dual zone automatic climate control, I-drive multimedia interface, Adaptive HID projector headlights, Keyless entry and start, heated seats, 6 stacker cd player, Side curtain airbags, Limited slip diff and the list goes on. With full service history and the ability to outhandle any of the competition whilst jetting you to 100kp/h in 4.8 seconds, this is the ultimate sports car. It will not last long, contact our friendly staff to discuss this beautiful M3. Near new
