- 4.0 litre V8 which has a claimed 11.2 litres/100 klms which isn't bad for such a high performance car
- 309 Kw and 400 Nm of torque with 0-100 kph in 4.8 seconds
- carbon roof
- log books from new
- a combination of highway mileage and city driving
- the colour of this car is absolutely stunning and we are so excited to offer it for sale
- at just under \$40K this is extremely good value for money in an M3 coupe manual
- the automatic gearbox really is very troublesome in this series and we are confident this car has been very well looked after and hopefully not thrashed
- brand new leather on the steering wheel this week as it had some wear
- up to date servicing history from new
- we were told this car had a fastidious owner
- they are equipped with navigation, bluetooth and front and rear parking sensors
- we are so fussy when it comes to buying Motorsport cars and hope you agree that this one certainly ticks all of the boxes
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
