

BMW X3 E83 MY06

Description

This absolutely stunning 2006 BMW X3 3.0 automatic is pretty much in mint condition for it’s age and has been extremely well maintained. A very good service history from new, 185,000 klms which is a very sensible 15,000 klms per year, log books, spare keys, a great colour combination being black with the lighter grey leather and a good set of tyres. Some people really deserve a pat on the back when presenting cars like this when they trade them in. The car is fitted with a factory panoramic sun roof, roof rails, air bags, ABS, climate control, and the overall condition of this X3 is just lovely. Please make the time to come and see this car in person and hopefully you will agree with us. It is registered here in NSW until February 2019 and has been owned by an older gentleman who lived in country NSW.
