

BMW X3 MY1011

Description

This stunning one owner BMW X3 from 2012 has been living in Sydney's Eastern suburbs and has only travelled a mere 48,000 klms since new and is the very popular black with cream leather interior. It has an excellent service history, loads of options and is in extremely good condition. These are certainly the pick of the X3's and this update F25 series which came out in 2011 combined a whole new series of features as well as a twin-turbo diesel engine which has loads of power – 190kW/560Nm.

This has has factory satellite navigation, blue tooth, alloy wheels, dual zone climate control air conditioning, air bags everywhere and is such a good sized car to own. It has fine-wood trim Fineline "wave", Roof Rails and when buying cars in NSW the most important items are obviously low klms, a good colour, excellent history and in nice condition throughout. We are proud to say that this car certainly ticks all the boxes and the previous owner also put 12 months NSW registration on the car prior to having it sold.

This is a very clean car and we are looking forward to showing you in person one day soon.

The Oldtimer Centre® is located at 29-31 Antoine Street, Rydalmere, NSW 2116.
