

BMW X5 E70 MY09

Description

This awesome update 2009 BMW X5 4.8 litre V8 with 7-seats, panoramic sun roof has a very nice set of factory 20 inch BMW wheels which look amazing, reversing camera, satellite navigation from BMW, log books from new with every service from a BMW dealership or specialist and this is a very honest car indeed. The klms are nothing for a V8 and we are sending this car to a local BMW specialist here in Sydney prior to sale for a check over. We're very thorough with selling 9 year old cars like this to ensure there are no hidden surprises and having travelled 10,000 klms per year it's pretty normal for a car of this age. Space grey with black leather, all the modern options like blue tooth, parking sensors, dual zone climate control air conditioning and pretty much everything you need in a 4WD these days. It drives very well and doesn't have creaks and rattles like a lot of city cars do. We're proud to offer such a good looking car for a reasonable price in our opinion with NSW registration until April 2019!
