BMW X5 E70 MY10

## Description

This awesome BMW X5 2009 (MY10) update X-Drive 30d has only travelled 57,000 klms since new and has a very nice set of BMW wheels, towing package, satellite navigation, every single service from BMW, log books and this is a very honest, original car that has been perfectly looked after and garaged. In Spare Grey these klms are nothing for a turbo diesel and we are sending this car to a local BMW specialist here in Sydney prior to sale for a check over. We're very thorough with selling cars like this to ensure there are no hidden surprises and having travelled such low klms we are confident there will be no surprises at all. With black leather, all the modern options like blue tooth, parking sensors, dual zone climate control air conditioning, panoramic sun roof and pretty much everything you need in a 4WD these days. It drives very well and doesn't have creaks and rattles like a lot of other cars do. We're proud to offer such a good looking car for a reasonable price in our opinion.

Here at the Oldtimer Centre® we are located at 101-103 Illawarra Road, Marrickville NSW 2204. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely

competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
