Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– this very nice BMW X5 40d 2013 is the very desirable black on black and is an M-Sport

– with just over the 100K mark in 6 years it's still considered reasonable mileage for a 6 year old car.

– it comes with the innovations package with \$8,000 in extra's incl top view camera, electric tail gate ect

– this is excellent value for money considering the new car price and this car certainly ticks all of the boxes.

– owned by a gentleman in Sydney's Eastern Suburbs you can tell this car has been pampered and garaged

– servicing history is present and it drives very well.

– due to personal plates we are having new plates from the RMS put on shortly.

– the M-Sport is loaded with some excellent features from the better M-Tech 20-inch wheels, sports seats and steering wheel, mild body kit and "M" decals.

– we sell a lot of X5s but need to wait for the very good, clean cars that we are proud to offer for sale

– the 40d gets sports suspension, and electric front seats with memory

– there's also cruise control with braking function, front and rear parking

sensors, a rear view camera with top view, power-adjustable, heated, folding and auto-dimming rear vision mirrors

- The acceleration provided for the 2.5 tonne wagon is 6.6 seconds to 100km/h, yet it also claims 7.5 litres per 100km
- 225kW/600Nm 3-litre DOHC 24-valve twin-turbodiesel six-cylinder
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
