

BMW Z4 E85 MY05

Description

What an amazing find this is from 2005! A burgundy BMW Z4 2.5 litre Roadster with only 66,000 klms since new and absolutely immaculate condition from new. The very fussy previous owner has installed a very impressive sound system which pops up out of the dash and has reversing camera, bluetooth, DVD, Nav and so much more. the interior is not worn, the engine still revs like it’s new and the colour combination of this car is what’s going to sell it. There are just so many silver or black cars out there and we actually traded this in on a newer Aston Martin. No expense has been spared on this gorgeous car which has an electric soft top and a full history with spare keys. We are very excited about this car which hopefully one day will turn in to a real classic!
