Citroen C5 X7

Description

This stunning Citroen C5 Exclusive 16 Valve turbo diesel hatch was first registered in 2009 and has only travelled a mere 146,000 klms since new with a fabulous dealer service history that is up to date. This is a country car with highway miles and these cars look so good in this colour combination which is the very light silver with the pale grey leather interior and this particular car has loads of options. From electric seats with heating, parking sensors, blue tooth, alloy wheels, dual zone climate control air conditioning, air bags galore and really overall is in very clean, original condition from what looks like one owner in the log books. These cars are excellent value for money and this one arrived here in very late 2009 from France. They use up very little diesel fuel, are so comfortable to drive and actually the top part of the seat above the shoulders is adjustable electronically like a Range Rover which is a lovely option. Good tyres and this is a car we are very proud of and look forward to showing you in person at our dealership. We also have two in-house full time mechanics who will very thoroughly go over this car prior to it being sold.

The Oldtimer Centre® is located at 101-103 Illawarra Road, Marrickville NSW 2204.
