

Ferrari 599 Fiorano GTB

## Description

**\*\* Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\***

**\*\* WINNER of the 2020 Local Business awards for Outstanding Automotive Services\*\***

**2010 Ferrari 599 GTB Fiorano HGTE**

**Factory HGTE | Australian Delivered | 12,770 km | Two Owners**

**\$399,950.00**

An extraordinarily rare opportunity to acquire one of the most desirable specifications of Ferrari's magnificent front-engined V12 grand tourer – a genuine factory-optional Ferrari 599 GTB Fiorano HGTE.

Finished in stunning Daytona Black over Black leather, this Australian-delivered example has travelled an exceptionally low 12,770 kilometres from new and has had just two owners.

Delivered new by Ferrari Sydney, the car was specifically ordered by its first owner, a noted Ferrari collector, with the highly desirable HGTE – Handling Gran Turismo Evoluzione – factory package.

The HGTE was created for the enthusiast who wanted an even sharper and more engaging 599. Rather than simply being a cosmetic package, Ferrari extensively revised the car's chassis and driving characteristics, transforming the already formidable 599 into a considerably more focused driver's car.

Factory HGTE enhancements include:

- Lower and significantly firmer sports suspension
- Revised magnetorheological damper calibration
- Upgraded anti-roll bars
- HGTE-specific 20-inch alloy wheels
- Faster F1 SuperFast gearshift calibration
- Sharper throttle response and engine mapping
- More sporting exhaust note
- HGTE-specific exterior detailing
- Carbon-fibre interior detailing
- Numerous unique HGTE trim and finishing touches

At the heart of the 599 is Ferrari's sensational 6.0-litre naturally aspirated F140 V12, producing approximately 620 horsepower and driving the rear wheels through Ferrari's six-speed F1 transmission.

Derived from the same extraordinary family of engines used in the Ferrari Enzo, it represents an era of Ferrari that is unlikely ever to be repeated – a large-capacity, naturally aspirated V12 with no turbocharging or hybrid assistance.

The provenance of this particular example makes it especially appealing. It has been serviced by Ferrari Sydney throughout its life, has recently been serviced by them again and has also recently received a new battery through Ferrari.

It comes complete with its full history, factory books, tools and both keys.

The condition is commensurate with the remarkably low kilometres and careful ownership. The Daytona Black paintwork, Black leather cabin and

carbon-fibre detailing combine beautifully and give the 599 an understated appearance that disguises just how serious this motor car is.

The 599 GTB Fiorano was already one of Ferrari's great modern V12 grand tourers. Finding an Australian-delivered, factory HGTE example with only two owners and fewer than 13,000 kilometres is another proposition altogether.

As naturally aspirated Ferrari V12s become increasingly significant to collectors, we believe cars of this specification, provenance and mileage deserve to be regarded as genuine modern Ferrari collectibles.

A spectacular Ferrari for the collector who understands exactly what HGTE means.

This car will be mechanically checked over and receive a NSW roadworthy permit. We are so excited to show you this fine example and look forward to your inspection, competitive finance packages are available to approved purchasers

Australia-wide transport can be arranged

**\*\* please make an appointment to view this car as it's off site \*\***

**\*\*\*\* 12 MONTH EXTENDED WARRANTY INCLUDED ON ALL VEHICLES – SINCE 1994 \*\*\*\*\***
