Dear valued customers,

During the COVID-19 crisis Oldtimer Centre will be operating remotely and you can still make a "VIRTUAL PURCHASE" so please do not attend the showroom until further notice. Please watch our high definition videos as well as the 50-60 photographs and contact us via phone, email or SMS.

There are 2 options;

Buy the car sight unseen which we have successfully done for over 25 years and we send the car to you via a transporter with a mechanical check over, roadworthy certificate and optional extended warranties.

Make an appointment to come in in the near future where the car/s will be waiting in our car park for you to inspect and drive and we will provide surgical gloves for you to wear whilst you are here. This means you will have no need to physically enter the showroom.

Please exercise the social distancing laws at all times by trying to come here alone adhering to the limit of 2 people in a public space. Thank you very

much for your co-operation at this very difficult time.
