

Ford Falcon XR8

Description

There are very few excellent 2005 original Ford Falcon XR8 sedans left for sale and this one is an absolutely cracking example. With a mature aged owner, only 150,000 klms and a complete service history this “BOSS 260” in red, automatic ticks all the boxes.

Factory power steering, air conditioning, towing package which has barely been used, always garaged and loved this XR8 had a pretty much perfect pre-purchase inspection report which is available to serious buyers.

The grey factory interior is flawless and this car is to be featured in an International TV series with some serious modifications as part of the price – to suit the really fussy Ford enthusiasts. In addition the buyer can appear on the show purchasing the van if they should choose to.

Future Jobs to be carried out included in the price are;

- NSW registration including a blue slip and CTP
- Upgraded cam shafts
- Upgrade exhaust manifold and cold air intake
- Custom exhaust install
- New break kit fitted
- Front splitter fitted
- Dyno tuning
