

Ford Mustang

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– 1966 Ford Mustang convertible right hand drive automatic
– electric soft top
– very original 289 engine
– Peacock green with cream interior
– overall an exceptional car that was once owned by a famous Sydney car collector
– what a head turner this car is
– soft top in excellent condition
– being a right hand drive it should hold it’s value very well moving forwards
– this car has power steering and everything works well; we have an old school mechanic who goes over all of our cars thoroughly and this has ticked all the boxes
– this car will be mechanically checked over by a 3rd party company and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
