

Holden Commodore SS V Redline

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

- 2015 Holden SS-V Redline W310 Walkinshaw performance
- The W310 kit adds several Walkinshaw Performance parts, including high-flow catalytic converters, ceramic-coated headers and a stainless steel cat-back exhaust system that, together with a cold air intake and a custom ECU calibration, delivers big performance gains.

Engineers at the Melbourne-based tuning house have boosted the car's output from 260kW/517Nm to 310kW/580Nm, representing a considerable increase of 50kW and 63Nm. With the addition of "very specific resonators" the car now has an awesome exhaust rumble at mid and high revs the regular SS lacks.

- Only 67,000klms on the clock with a full service history from Holden
- Reverse camera
- Cruise control
- Electric Sunroof

- Bluetooth for music and calls
- Factory Alloy wheels
- Dual zone air con
- 2 remote keys

W310 Walkinshaw Engine and exhaust upgrade

Walkinshaw brake upgrade front and rear

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
