

Holden Cruze SRi-V JH Series II

Description

** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

Holden Cruze JH Series II MY13 SRi-V Hatchback, powered by the 1.4 litre turbocharged petrol engine and paired with a 6-speed manual transmission.

Finished in a smart and sporty presentation, this SRi-V has travelled 165,000 kilometres since new and has been owned by the same lady owner in Canberra from new.

The SRi-V was the sportier and better-equipped model in the Cruze range, combining the practicality of a five-door hatchback with the more engaging 1.4 litre turbo engine and manual gearbox.

This particular car also has a sportier note to the exhaust, giving it a little more character without taking away from its everyday usability.

A very honest, well-kept example with the added appeal of long-term one-owner history. These manual turbo hatchbacks make a great affordable daily driver and offer plenty of practicality while still being enjoyable to drive.
