Holden Special Vehicles Manta VS II

Description

This very rare 1995 HSV Manta 185I Wagon was just traded in by its 2nd owner from new. There was only 229 VS HSV Manta's produced and this is number "118" out of the 229 vehicles there was 201 manual Sedans/Wagons and only only 28 automatic Sedans/Wagons combined which means this is 1 of only very few Automatic Wagons ever made. This car has the original 2 remote keys and books from new and has travelled a genuine 239,000kms it has 185 kilowatts and a top speed of 240kmph. Standard features include a limited slip diff, adjustable rear suspension (disconnected) air conditioning, trip computer, electric windows in the front, HSV seats and interior, electric mirrors, ABS brakes, rear head rests and remote central locking.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an

ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
