In 2014 when this stunning Jaguar F-Type "S" Coupe with only 18,000 klms and a one owner came out it was just over \$200K and this car was loaded with features including a BLACK PACK. It comes with the balance of a 5 year warranty and free servicing during that period and was only purchased new in early 2015 so this is a huge selling point. It has an electric boot, metallic black paint with black leather trim, black wheels, black air intakes in the bonnet and guards, black window surrounds and is simply one of the most amazing cars to drive on the road today. This 3.0 litre engine from Jaguar is quite amazing and you really do need to come in and see just how impressive the overall drive is on this coupe. With such low klms and nothing to spend this car will hopefully see some great resale value moving forwards and it has all the servicing books and spare keys, We are so proud to be selling such an superb vehicle and look forward to showing you in person one day soon. NSW registration until June 2018.
