We sell a lot of classic cars and everything about this car suggests an excellent previous owner; the head liner is perfect, the interior smells new, the cup holders are working which is a known issue and mechanically this is a very good example.

- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy

permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
