Visually, the Chequered Flag distinguishes itself from the regular XF with the addition of a Black Pack – window surrounds, a grille and grille surround, and side vents with Chequered Flag badging. There are also some sporty-looking body-coloured side sills, while the S front bumper design looks more aggressive than that found on the regular XF.

Inside, the Chequered Flag theme errs on the side of discretion, with aluminium kickplates resplendent with the special edition's logo, while the steering wheel features chromed paddle-shifters unique to the Chequered Flag.

Infotainment is anchored by a dash-integrated 10.0-inch touchscreen with satellite navigation, Apple CarPlay and Android Auto, Bluetooth connectivity, and AM/FM radio.

With a generous 221kW of power, peaking at 5500rpm, and a healthy 400Nm of torque all on tap at a very usable 1500–4500rpm, the Chequered Flag hunkers down and completes the sprint to triple figures in a claimed 5.9 seconds.
