2010 Jaguar XF S Luxury 3.0D Twin Turbo Diesel – Elegance, Performance & Proven History | \$16,950

Finished in a stunning metallic bronze with a beautifully contrasting cream leather interior, this Jaguar XF S Luxury is a classic example of why the XF helped redefine the modern Jaguar brand.

Powered by the impressive 3.0-litre twin-turbo diesel V6 engine, this luxury sedan delivers effortless performance, outstanding refinement and remarkable fuel economy. Combined with a smooth 6-speed sports automatic transmission, the XF remains a genuinely rewarding car to drive whether around town or on long-distance journeys.

What makes this particular example especially appealing is its known history. We originally sold this Jaguar many years ago to its most recent owner, who has cherished the vehicle throughout his ownership. Unfortunately, advancing age has now forced him to retire from driving, presenting a wonderful

opportunity for the next enthusiast to enjoy this beautifully maintained luxury sedan.

The XF S Luxury was the flagship diesel model of its era and offers an exceptional level of comfort and equipment, including:

- Powerful and economical 3.0-litre twin-turbo diesel V6 engine
- 6-speed sports automatic transmission
- Premium cream leather upholstery
- Electric front seats with memory function
- Satellite navigation
- Reverse camera and parking sensors
- Premium sound system
- Dual-zone climate control air conditioning
- Cruise control
- Keyless entry and push-button start
- Genuine alloy wheels
- Multiple airbags and advanced safety features

The bronze exterior colour complements the elegant design perfectly and gives the car a distinctive presence that stands out from the usual silver, black and white luxury sedans.

Offering a combination of style, performance and comfort that is difficult to match at this price point, this Jaguar XF represents outstanding value for money and remains one of the most attractive luxury sedans of its generation.

Priced at \$16,950.

A genuinely special motor car with known ownership history and a wonderful story behind it. Inspection is warmly welcomed and highly recommended.
