

Jaguar XF X250

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2015 new series Jaguar XF supergcharged V6 in white on black leather
– in 2014 there was a new update with red centre caps in the alloy wheels
– this car has 250kW of power and has been well serviced
– you can tell it’s had some decent highway mileage for a 4 year old car and drives so well
– blue tooth for phone and music
– cruise control with speed limiter
– rose wood interior finish
– stunning factory body kit and rear spoiler which we have never seen before
– April 2020 registration in NSW
– Polar white is one of the most sought after Jag colours we are finding
– dual zone climate control air conditioning
– larger factory alloy wheels
– electric front seats
– this was a very expensive car when new and well over the $100K mark
– we only just sold the same model with less klms for over $40K so we feel this is brilliant value for money
– we are so excited about this superb vehicle and hope you are too
