

Jaguar XF X250 MY11

Description

We absolutely love this 2011 series Jaguar XF and this Luxury 3.0 litre V6 petrol engine is a wonderful engine to say the least and has travelled 25,000 klms since it was new. Metallic red with cream leather interior, service books which are up to date, end of March 2019 NSW registration, alloy wheels, reversing camera, wood grain interior, blue tooth, navigation and so much more make this gorgeous car a pleasure to drive and hopefully own one day. There are so many average XF's on the market and this car is way above the rest not only with regards to the interior condition but overall the feel is superb. The dials and buttons are not all deteriorated, the tyres are good and the engine just purrs like all good Jags. It has literally had every single service done at Jaguar and the last one just a regular service from a local garage. We think that this car is excellent value for money and very much look forward to showing you one day soon in person. Spare keys are present too.
