

Jaguar XF X250 MY13

## Description

We absolutely love this 2013 series Jaguar XF and this Luxury 2.2 litre turbo diesel engine is a wonderful engine to say the least. Metallic silver with partial black leather interior, service books which are up to date, late October 2017 NSW registration, factory sun roof, larger 18? alloy wheels, reversing camera, bluetooth, navigation and so much more make this gorgeous car a pleasure to drive and hopefully own one day. There are so many average XF's on the market and this car is way above the rest not only with regards to the interior condition but overall the feel is superb. The dials and buttons are not all deteriorated, the tyres are good and the engine just purrs like all good Jags. We think that this car is excellent value for money and very much look forward to showing you one day soon in person. In fact we have just had this car fully checked over by a Jag specialist and performed a service whilst it was there.
