

Jaguar XF X250 MY15

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– 2015 Jaguar XF Supercharged V6 in stunning condition
– black with black leather interior
– 80,000 klms with digital service history which is stored in the on-board computer
– these were one of the most expensive XFs for sale in 2015 and have loads of power and features. They were well over $110K when new
– 250 kW and a massive 450 Nm of torque help this beast accelerate to 100 klms in 5.6 seconds (claimed)
– they have a surprisingly great fuel consumption at an average of 9.3 litres/100 klms combined but only 7/100klms on the freeway
– compared to the other four cylinder cars there is just no comparison. This car has a 10 speaker upgraded sound package, reversing camera, bluetooth, parking sensors and a very nice set of Jag alloy wheels
– we love selling models like this that have already suffered their large depreciation and then just plateau out and tend to hold their value very well moving forwards

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy
