Jaguar XF X250 MY15

## Description

\*\* Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\*

– 2015 Jaguar XF Supercharged V6 in stunning condition

– black with black leather interior

– 80,000 klms with digital service history which is stored in the on-board computer

– these were one of the most expensive XFs for sale in 2015 and have loads of power and features. They were well over \$110K when new

– 250 kW and a massive 450 Nm of torque help this beast accelerate to 100 klms in 5.6 seconds (claimed)

– they have a surprisingly great fuel consumption at an average of 9.3 litres/100 klms combined but only 7/100klms on the freeway

– compared to the other four cylinder cars there is just no comparison. This car has a 10 speaker upgraded sound package, reversing camera, bluetooth, parking sensors and a very nice set of Jag alloy wheels

– we love selling models like this that have already suffered their large depreciation and then just plateau out and tend to hold their value very well moving forwards

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy

permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
