**** WINNER of the 2020 Local Business awards for Outstanding Automotive Services****

– we are selling 2 one of a kind “as new” Jaguars from 1985. The original owner purchased these cars with the idea that they would never have any kms driven. Ideally they should be sold as a pair.

**** 232 kms only ****

- this is the Targa version “SC” V12 5.3 litre
- Australian delivered
- tonneau cover
- original books
- spare keys
- white with cream leather
- this is unmarked in every possible way
- we have sent this car to a Jaguar specialist who has gone over the entire car and changed whatever was required with original parts.
- when purchased, we changed the oil, put new fuel in and made sure that the engines were perfect prior to starting them. They fired up and started first time.
- never listed for sale before

- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
