

Jaguar XJ8 X350

Description

In 2003 when this update series Jaguar XJ8 came to us it was and still is one of the most incredibly good cars in the world. Please disregard the mileage on this car as you really do need to see and drive this car in person to see how unbelievable it truly is and a credit to the previous owner. This metallic grey with cream leather interior sedan has the more modern front and rear end, the 3.5 litre V8 engine, 230,000 klms sine new (which is only 15,000 klms per year) with service books, and the wide screen satellite navigation from the factory. The log books are up to date and the car is literally pristine in every regard. Registered in QLD we will arrange NSW registration for the new buyer if required. These are a lovely car to own and should hold their value so well moving forwards and this one certainly ticks every single box. Please take out the time to come in to our dealership in person for a drive one day soon.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
