Jeep Cherokee KJ MY2006

## Description

This is an absolutely stunning Jeep Cherokee “Renegade” which has only travelled 125,000 klms since new with a service history and tow package. The pale army green metallic colour with the tan interior looks superb and this is a stand-out to other Jeeps we see in the market place.

It was previously owned in Tasmania which usually means they are very well maintained cars and having met the previous owner we certainly think this is has been loved. They are a great model with all the usual features such as air conditioning, power steering, air bags and central locking.

Finding very good 4WD’s is becoming hard for under \$10K and we have an excellent mechanic in-house who will look over this car thoroughly. Having come from interstate it will go over the pits and have a blue slip so it’s ready for registration here in NSW. We look forward to meeting you soon in person.

Here at the Oldtimer Centre® we are located at 101-103 Illawarra Road, Marrickville NSW 2204. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely

competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
