

Lamborghini Aventador LP720-4 50 Anniversario

Description

** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

Lamborghini Aventador LP720-4 50th Anniversary edition. This is an extremely rare opportunity to own one of the rarest, fastest, most impressive cars in the world. 6.5 litre V12 AWD 7 speed (paddleshift) with 530kW!

This stunning example was built in celebration of the company’s 50th birthday and boasts a modest bump in performance, and engine calibration was tweaked to provide 20 additional horsepower. This yielded a noteworthy increase in performance, bringing its 0–100 kph time down to 2.9 seconds and the top speed up to 347 kph.

In addition, the Aventador’s front and rear fascias were redesigned for increased aerodynamics and the front air intakes were enlarged. A larger rear diffuser with extensive meshwork can be found at the back in an effort to further increase aerodynamics and dissipate heat in the engine bay. Overall, this makes for a 50 percent increase in aerodynamic efficiency over the standard-production Aventador. Production was limited to 100 coupes, with a roadster version available as well.

Finished in Giallo Maggio, an exclusive colour reserved for the 50th Anniversary models, with exterior trim in flat-black and wheels in high-gloss black, this example is number 23 . It is finished in a matching black and yellow interior and presents as-new throughout. With only 2980 klms since new the car is as new and has only ever been serviced by Lamborghini here in Sydney.

Celebrating a milestone anniversary for Lamborghini, the Aventador LP720-4 50th Anniversary Coupe will surely remain desirable for years to come, as it offers increased performance, aesthetics, and was built in limited production.
