Land Rover Discovery 4 Series 4 MY11

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- 2011 Landrover Discovery 4 with the 3.0 litre newer SDV6 engine
- fully serviced and loads of options
- Santorini black with black leather
- snorkel
- towing package
- some chrome decals in the kick panels which is a nice finish
- front bull bar with driving lights
- this is a very good setup for off road driving but from the look of the car it hasn't seen a lot of that
- we are extremely thorough about cars like this and having been driven on the highway and open roads this mileage is nothing for an 8 year old turbo diesel Landrover
- NSW registration until January 2020
- inside and out this car feels superb
- it has an additional fuel tank gauge (digital)
- no spend on this car and we think it's priced very well for a car of it's age/options list
- low and high range 4WD on all Discoveries and it's obviously a 7-seater
- please take this car very seriously as we certainly have

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
