

Land Rover Range Rover 03MY

Description

This beautiful new shape Range Rover “Vogue L322” from 2002 with only 167,000 klms is in very good condition indeed. This car has NSW registration and has been owned and garaged on the upper North Shore of Sydney by its very fussy owner who has spared no expense on keeping this car in excellent mechanical condition. This car has just had a service and is not due for its next service until 180,000 klms. The factory alloy wheels are like new and the tyres are in very good condition also. The very dark green exterior with the mint green and cream Windsor leather interior looks absolutely amazing. This car being a Vogue comes with several features over the SE and HSE models including sat navigation, sunroof, climate control, heated seats front & rear, heated steering wheel, electric fold in mirrors, memory electric seats, V8 engine, car phone, xenon headlights with wipers, wood grain inserts and wide screen heads up display. There are lots of very average Range Rovers out there so it’s important to find the right one and we are proud to say that we think we have it.
