

Land Rover Range Rover Sport 06MY

Description

2006 top of the range Range Rover Sport 4.2 litre V8 Supercharged with just under 142,000 klms since new and a very good servicing history from its very fastidious owner since new. In black with black leather interior this Range Rover has been driven both on the highway and in the city since new and has always been maintained well. In fact prior to selling the car the previous owner has sent this 4WD to the Range Rover dealer for a check over and a new battery was fitted under warranty. Loaded with every feature you could hope for from factory sun roof, alloy wheels, navigation, blue tooth and parking sensors we are certain that this 06 Sport will hold it’s value very well moving forwards. Compared to it’s new car price this is a huge saving and still drives like a very modern car and is in lovely condition. We have sold Range Rovers for years and know exactly what to look for and this one ticks all the boxes. We hope that you can take time out to come in and have a close look at this very tidy V8 Supercharged Rangey one day soon.
